APRIL -2018

13-04-18

Q. P. Code : 33459

Time : 2½ hours

Marks : 75

Q1 A Read the following news story:

15

Roar: Tigers of the Sunderbans, produced by Abis Rizvi Films, is releasing on October 31st.

The augmented reality experience treats the viewer to a participative interaction with a virtual tiger. It allows one to pet and stroke the animal while watching the excitement on a large e screen in real Time. What makes it all the more interesting is that viewer can take home the video, feature them with the tiger, to upload it on social networking page, the professional / promotional activity was set up in malls, colleges and multiplexes in over 15 cities CROSS the country and found many takers among the youth.

Kamal sadanahs directorial debut, Roar: Tigers of Sunderbans, revolves round the majestic tigers of the forest and the makers came up with interesting wausto introduce the royal beast to the audience.. a unique promotional activity, involving augmented reality, was launched by salman khan.

Says producer Abis Rizvi, " the tiger is protagonist of our film and this activity is the best way to establish a bond with the audience."

Duration: 2.5 hours

Total Marks: 75 marks

Note:-All questions are compulsory.
Draw neat labelled diagram wherever necessary
Present the answers with relevant examples.
Figures to the right indicate marks.

Q1. Read the case and answer the following questions.

Since last decade, much of the shift in the buyer preferences have been attributed to the emergence of mall culture in India. Malls have impacted the Indian lifestyle. Today malls are more than just shopping junction they are used for people in more than one way, some people use it for Socialization where as others go for Shopping as malls present themselves as a one stop shop for all needs of the consumer in the most pleasurable and economic way. Some visit them for complete experience with all the lightings and displays that really makes it one of the promising experience for them. Also a trip to mall can enhance mood from bad to good or from good to energetic. One can just go and enjoy the environment, food, events and people. There are more health benefits while shopping at malls as they are spread over thousands of sq. meters and research shows that on an average a person walks over a kilometer before walking out. It may not be a big factor influencing lifestyle but it can be counted as perhaps a benefit.
